

Third North American Forest Ecology Workshop

“Issues of Scale – From Theory to Practice”

June 24-27, 2001
Duluth, MN

Opportunity for Students

Special Student Registration

Volunteer four hours at the workshop!

Registration fee waived! (*banquet ticket and field trip not included in waived fee*)

Positions

Pre-workshop preparation (we may need help preparing registration packets. Packets would be assembled Friday, June 22 or Saturday, June 23. This would be a good way get your shift done before the workshop begins and not miss any sessions!)

Registration desk (staff registration desk, take messages, run errands)

Greeter (welcomes and directs attendees Sunday morning; stationed at both main entrances to DECC)

Plenary session runner (walk the aisles to gather questions from audience)

Concurrent session assistant (monitor and run A/V equipment, monitor lights and sound, and help session leader stay on schedule) You must familiar with PowerPoint, and using a laptop and computer projection unit. There will be one to two students assigned to each concurrent session block.

You will be assigned to a total of four hours. If there is a particular concurrent session you are willing to work or do not want to miss, please note that on your registration form.

Registration Instructions

Fill out the registration form (available in hard copy or on the web), include a note that you are a student and would like to volunteer for a four-hour block of time in exchange for the waived registration fee. You must register, and pay for, the Sunday night banquet and field trip if you plan to participate in either of these events. You will be informed of your work schedule one week prior to the workshop. Contact Louise Yount (lyount@forestry.umn.edu or 218-879-0858) if you have questions.

Visit the web site for workshop information and registration form.
