

# 2020 FORESTRY AND WILDLIFE RESEARCH REVIEW

**Thursday, January 9, 2020**  
Cloquet Forestry Center, Cloquet, MN

SFEC's 2020 Forestry and Wildlife Research Review will be Thursday, January 9, 2020 at the Cloquet Forestry Center.

The purpose of the event is to present new applied research relevant to regional natural resource managers, with a focus on silviculture, forest management, and forest-based wildlife. This focus includes research related to policy, economics, inventory, remote sensing, and other topics pertaining to forests and associated natural resources.

The audience is professional natural resource managers - this is an excellent opportunity to make land managers aware of your research results, and to influence land management activities.

**Date:** Thursday, January 9, 2020

**Location:** Cloquet Forestry Center (175 University Rd Cloquet, MN 55720)

**Cost:** \$75 SFEC members, \$40 students, \$140 others. Registration includes lunch and refreshments. *Prices increase 10% after January 3, 2020.*
