

# ADAPTIVE SILVICULTURE IN THE DRIFTLESS AREA

Thursday September 5, 2019

National Eagle Center, Wabasha, MN

A tour of silvicultural treatments on the Minnesota and Wisconsin sides of the border, focused on climate adaptation in the unique Driftless area. Stops will include upland and bottomland sites and a variety of plant communities. This workshop is offered in collaboration with the Northern Institute of Applied Climate Science (NIACS), University of Wisconsin- Stevens Point, and the Wisconsin Initiative on Climate Change Impacts (WICCI) Forestry Working Group.

**Date:** Thursday September 5, 2019

**Location:** Wabasha, MN area

**Cost:** \$75 SFEC members, \$40 students, \$140 others. Registration includes lunch and refreshments. *Prices increase 10% after August 29, 2019.*
