

# HERBICIDE USE IN FORESTRY

*A presentation in the SFEC & UMN Extension 2020 Forestry Webinar Series*

**Tuesday, April 21, 2020**

Dale Sutherland, *Nutrien Solutions*

This webinar will introduce you to the basics of herbicide use in forestry with the emphasis on conifer management. The discussion will include label interpretation and products labeled for forestry use, modes of action, site prep and release applications, and invasive species considerations.

**Date:** Tuesday, April 21, 2020 noon-1pm central time

**Location:** Watch online or attend a broadcast site

**Cost:** Free at a broadcast location, \$50 for the entire 2020 webinar series, or \$20 each

**Details and registration:** [z.umn.edu/20web](https://z.umn.edu/20web)
