## 2014 Minnesota Forest Adaptation Planning and Practices

### Forest Adaptation Planning and Practices

Save the Date!

July 10 & 11, 2014  
Cloquet Forestry Center

*An active, hands-on training to help natural resources managers incorporate climate change considerations into their own real-world forest management projects.*

This is a two-day, hands-on, interactive training workshop utilizing the [Forest Adaptation Resources](#) guide to consider how climate change may affect a real-world forest management project, identify challenges and opportunities for management under a changing climate, and develop actions to reduce risk and increase the ability of forests to cope with change.

**Instructors:** Stephen Handler (NIACS) and Linda Nagel (UMN)

**Sponsors:** [Northern Institute of Applied Climate Science](#) (NIACS), USFS, and the Sustainable Forests Education Cooperative

Brian Palik gave a great talk yesterday called Adaptive Silviculture for Climate Change: Lessons for timber-oriented managers.

If you missed it, here's the recording:
