## 2017 Workshop: Forester-Logger Collaboration

This workshop is offered in partnership with the Minnesota Logger Education Program. The focus is on improving communication and shared understanding. The mixed group of logging contractors, public- and private-sector foresters will spend time in the classroom and woods discussing operational, silvicultural, and other issues.

**Date:** Wednesday August 23, 2017

**Location:** Long Lake Conservation Center, 28952 438th Lane, Palisade, MN

Brian Palik gave a great talk yesterday called Adaptive Silviculture for Climate Change: Lessons for timber-oriented managers.

If you missed it, here's the recording:
